

HOLY TRINITY NEWSLETTER

24th MARCH 2010

Dear Parents,

I did think spring had come with some warmer weather, well we can hope!

Children may bring water into school whatever the weather. We also have water fountains available for all children at all times.

Sun hats will be available from the uniform shop for the really hot weather, when it arrives!!

Mini Bus

I hope everyone saw the new mini bus, which has kindly been donated for church and school use. I thought that it looked great. The children did so well with their designs, which are on the side of the bus. I am sure it will prove invaluable to the Sunningdale community.

Mrs Macpherson

Mrs Macpherson was admitted to hospital last week but should be out very soon. I am sure that you will join me in wishing her all the best for a speedy recovery.

Induction

This week seven new children will visit class 1R and have lunch with their parents. One child will also be visiting class 2. All the children will be starting after Easter.

Thank you

A big thank you to all the parents who sent in photos of their children holding a Fair Trade product. Mrs Lacey, who has taken on 'Learning for Sustainability' was pleased with the response.

Easter Service

Our Easter Service takes place on Tuesday 30th March at 9:10am (ish). All parents, relatives and friends are very welcome to attend.

Easter Egg Hunt

The PTA have arranged their annual Easter Egg Hunt during the afternoon of Tuesday 30th March.

I am sure that it will be a very successful event and that the children are really looking forward to it.

Parking

Parents should park outside of the school grounds at all times. We had a very near miss recently, when a small child was not seen by a parent in their 4X4. Only staff cars are to be parked in the school car park.

I would ask that parents are considerate in their parking around the school.

Scooters in the Playground

It's great fun to 'scooter' to school and we encourage it rather than coming by car. However, we ask that children do not scooter in the playground for safety reasons.

Medicines in School

We are happy to keep medicines for children if necessary in the school office. These include inhalers and epipens, as well as antibiotics if they are prescribed to be taken 4 times a day.

Parents are required to complete a medical consent form prior to handing in to the school office. Cough sweets etc should be given to the class teacher to administer if necessary.

Ascot Cluster

The Ascot cluster website has recently been updated with Adult Learning Courses that are planned for the summer term.
