Dear Parents,

I am pleased to inform parents that the governors and I made an appointment on Friday and an offer has been made to an experienced teacher who has taught all ages in KS1. We were delighted with the standard of candidates. As soon as we have received the signed contract, I will advise parents of her name.

CD recording.

Well done to Cameron who worked really hard on his design for the CD cover and was our overall winner. Two other children also worked really hard and were runners up. These two children were Andrew in Class 3 and Eleanor in class 4. Both these designs were very imaginative.

Catering Contract.

As parents are aware the Ascot cluster of schools has been considering different caterers for next year. There are four caterers who have put in tenders- all of them cater for schools of very different sizes. I should know very shortly who the new caterers are and I will inform parents of the caterers as well as the new menus. The cost of the school lunches should be similar to the cost that parents are already paying.

PTA news.

Thank you to all the parents who were able to attend the meeting last week. It was a very productive one and I am sure that the summer fair will be a great success. If you are able to give any time on the day, please put your contact details and name on the sheet that will be put up on the notice board soon. As you know from an earlier newsletter, the two chairs; Mrs Flood and Mrs Jackson are resigning at the end of this term and we do need someone to come forward and help with chairing the PTA as well as some of the other roles. Please do let the two chairs know if you are able to help.

Work in KS1 playground.

The work in the KS1 playground should be starting soon. It seems a long time since Mrs Maillard put in our bid and it was accepted. I am sure that parents and children will be delighted when the work is completed.

Photographs

All the class photos were successfully taken last week as well as the whole school one. I am really looking forward to the whole school photo as it is 3 years since the last one was taken. Luckily the weather was good for all the photographs.

Class 1R

Pupils in Class 1R will read at least twice a week on a Monday, Thursday or Friday, please ensure your child brings their reading books into school each day.

Reminders.

1. I would strongly ask all parents to refrain from driving and parking their cars in the school car park. The car park is very small and there are not enough spaces for all our staff. It is also extremely dangerous to park at the beginning and end of the day when there are small children in the playground, who often are unable to be seen whilst driving.
2. Parents should also not park in the village hall car park as it causes congestion there and visitors are not always able to get out. As the weather has improved it would be great if parents could 'park and stride'.
3. Our half term holiday starts next week. Children should return to school on **Tuesday 8th of June** as we are having an inset day on Monday.

All children should now be wearing summer uniform; yellow or green dresses for girls and polo shirts and shorts / trousers for boys. Please ensure your child has a hat for playtimes during the hot weather and brings in a bottle of water each day.

Thank you for your co-operation in these matters.

Yours sincerely

Mrs Sarah Thorpe
