Dear Parents,

Many apologies about the closure on Monday due to the boiler. Thank you for all your understanding. A part was successfully replaced on Monday evening at 6pm and everything is working well now. We will review our texting service shortly as I understand that some people did not receive the texts when we sent them. We will also review our policy on calling parents if we know they are unable to take texts during the day.

Mad Science.

I am sorry some children are disappointed that Mad Science will not be taking place next half term. Only six children had applied and the company felt that it was uneconomical to run a club with so few children. Hopefully it will be offered at a later date.

Tag Rugby.

Children in classes R-3 had Tag Rugby taster sessions yesterday (25th January), which they all enjoyed. If you wish your child to attend the club, please ensure that your child returns the form to school as soon as possible.

Well done to the children in class 6 who won the local competition. They were due to play in Maidenhead this week but it was cancelled due to poor weather. Hopefully the competition will be re-scheduled.

Car Parking.

Could I ask parents to park along Station Road or in the park, rather than in the village hall car park (unless you have pre-school aged children) or in residential streets. The village hall car park does get very busy and it can be dangerous for children as well as adults.

School Lunches.

At the moment we are continuing with the menu from last term. This week we are on Week 1 (23rd Jan to 27th Jan). However, on Tuesday 21st of February there is a change to the menu as we are having an 'Indian Day'. The menu will be as follows: chicken tikka masala or a vegetable stuffed naan bread and a desert.

Head Lice.

Please check your child's hair each day for head lice as we have recently had a few incidences in different areas of the school. Please would all parents tie their children's hair (both girls and boys if it is long) back preferably in a plait to help with this issue.

Headteacher's Question of the Term – January 2012

I am introducing a question for the term, which children can work on at home in their spare time. Children who participate will get a certificate at the end of term and a chance in assembly to show their work to other children. I will also put all the work in the entrance hall.

The theme for the first question this year is what do you know about 'Animals'.

If you are unsure where to start, the following themes may help to focus your ideas:

- What types of animals are you interested in that you can find out about?
- cats, dogs, rabbits or a more unusual animals such as a hippopotamus.
- care of animals
- habitats- where animals live and how animals adapt to their habitats
- where animals live in the world.
- your favourite animal; what it eats, care of your favourite animal and any strange/funny habits.
- how many children and teachers have pets at home, what are they?

Present your findings in an exciting and eye-catching way. Surprise me...

- Make a model
- Write a leaflet
- Design a poster
- PowerPoint presentation
- Use lego, papier mache, or clay

Hand to me by Wednesday 21st March .Thank you!
