#### Christmas Holiday 22.12.08—02.01.09

Dear Parents,

This half term has gone very quickly, with children enjoying various events. Hopefully the weather will be good for our half term holiday next week.

#### African Day

Year 4 children enjoyed a creative day on an African theme. The children sang, danced and had a story telling session.

#### Thank you

A big thank you to Lisa Hill who has organised different businesses in Sunningdale to donate money towards books for our library. I will post a list of the companies in the next newsletter.

Another big thank you to the PTA for organising two very successful discos. The children really enjoyed them.

#### Can you help?

An incident occurred two weeks ago near the school. A sister of one of our pupils was bitten by a dog after a Stagecoach session on a Saturday. If anyone has any further details, please let me know.

#### Sponsored Read

We are holding a sponsored read over half term as part of The Year of Reading. We hope that children will enjoy reading as many books as possible over the week. All money raised will be spent on books for class rooms. Further details and forms can be found on the back of this newsletter.

#### Science Masterclass

Three of our year 5 children will be attending Science Masterclasses at Charters School next half term, along with children from other schools. I am sure they will do well and gain from the experience.

#### Tag Rugby

Nine of our year 4 children enjoyed a Tag Rugby competition at Charters recently. All the children played extremely well and were all good sports, with exemplary behaviour. I was very proud of them.

#### House Captains

All the house captains are taking their jobs very seriously. A logo has been selected by each house at a recent meeting. These designs will be made and then put up in the hall.

#### Reading Football

The last Reading Football coaching session took place last Monday. The coaches will be in school next term during the day to do some coaching in key stage one. They will resume the after school football coaching after Easter.

#### Gamelan Workshops

Children in key stage 2 will have the opportunity to learn to play Gamelan instruments. This sounds an exciting opportunity.
